Salary Support for Missionaries

- Carolyn (Dee Dee) Heffner: #581325

As a result of the suffering and devastation experienced over a century ago, during and after World War II, delegates of the General Conference of the Methodist Church responded by establishing the Advance for Christ and his church. The Advance Program is designed to provide a simple method for individuals, groups and organization to support the specific ministry of their choice. The Advance Program has been at work throughout our country and the world for over 50 years.

McCurdy School has been approved as an Advance Special by the General Conference Board of Global Ministries. McCurdy School provides a quality Christian based education for over 400 pre-school, kindergarten, elementary, and high school students in North New Mexico.

For more information on the Advance Specials Program, please contact the McCurdy School Church Relations Office at (505) 722-7221, extension 264 or visit the General Board of Global Ministries [Advance Program](#). We appreciate your generosity and interest in our school and ministry.
